By deleting all language after the enacting clause and by substituting instead the following language:

SECTION 1. Tennessee Code Annotated, Section 54-1-136, is amended by adding the following language as a new, appropriately designated subsection:

() The department may also develop and implement a program to encourage all political subdivisions of the state and public colleges and universities to increase the number of vehicles that use alternative fuels in the fleets of such political subdivisions, colleges or universities.

SECTION 2. The department of agriculture is authorized to develop and implement an alternative fuel research program to stimulate public and private research into both the technology of converting Tennessee agriculture products, including, but not limited to, soybeans, switchgrass and other biomass, into alternative fuels and the production capabilities needed to deliver such alternative fuels to Tennessee consumers.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
